The ST407 Lady Cardigan is made in interlock, which is an exclusive double-knit fabric. This means that the right side and wrong side are the same.

The cardigan has a button closure down the front and the placket is double folded, so it looks nice if you choose to wear the cardigan open.

The neck opening is completed with a double-stitched edge band.

The sleeves and the bottom are hemmed with double stitching.

For a better fit, there are incision darts at the chest.
